# OUR HOME AND VVH HEADQUARTERS FEATURE IN IDEAL HOME MAGAZINE

---

More Ideas ♥ More Tips ♥ More Style [housetohome.co.uk/idealthemagazine](http://housetohome.co.uk/idealthemagazine)

The December issue of Ideal Home magazine was on the shelves for sale in November 2013. Packed with gorgeous gift ideas, hundreds of ways to make your home sparkle at Christmas time and a feature on our cosy cottage in Devon and Virginias Vintage Hire!

Interiors journalist Annabelle Grundy found the Virginias Vintage Hire website and called us up to ask if our home was full of quirky, rustic antiques and vintage treasures similar to those we hire through the business, we invited her along to come and take a look for herself and meet the family. Annabelle took a few snaps of each room and jotted down some notes about how we found the house, developed our style and how we started Virginias Vintage Hire. A few weeks later Annabelle contacted us to say that Ideal Home liked the look of the house and a date for the photo shoot was set up! Annabelle arrived with her husband and photographer Colin Poole and we had such a fun day in the middle of July with temperatures hitting 30 degrees we were surround by presents, holly, ivy and all the glitter of Christmas plus a roaring fire!

And so the result – a super feature inside the Christmas issue of Britain's best selling interiors magazine. Thank you to Colin and Annabelle who can be found at [www.photoword.co.uk](http://www.photoword.co.uk).
